The only Christopher we acknowledge is WALLACE

If the mind can conceive it, man can achieve it

I'm like Che Guevara with the bling on: I'm complex

EXCUSE ME, FLOWS JUST RUN THROUGH ME LIKE TREES TO BRANCHES, CLIFF TO AVALANCHES

How you gonna win, when you ain't right within

Hands in everything like kids with bad manners

Some seek fame cause they need validation some say hate is confused admiration

I can't help the poor if I'm one of them so I make money and give back to me thats a win win
